Ceremony Wedding Package

Congratulations on your recent engagement, and thank you for considering One Under Banquet Facility and our staff to take part in your special day!

We currently have three options for holding your ceremony here at our facility. A \$100 deposit along with a signed contract is required to book your ceremony.

For the following two options, your room will be set up for your reception where you then would perform your ceremony within that same room set up.

- **Option 1:** Utilize your wedding reception hours of 6pm to 12am by starting your ceremony at **6pm**. Doors for your guests may open at 5:45pm. This option is available - at **no additional charge**.

*Any modifications from your ceremony setup to your reception set up may result in additional fees.

- **Option 2:** This option we offer would be to start your ceremony at **5:30 p.m.** Doors for your guests may open at 5:15pm. This option is available – for a \$250 ceremony fee

*Any modifications from your ceremony setup to your reception set up may result in additional fees.

- **Option 3:** Our final option we offer would be to start your ceremony at **5:30 p.m.** Doors for your guests may open at 5:15pm. During this time we would split our whole room in half, utilizing our divider wall and using half of the room for your ceremony and the other half of the room for the start of your reception.
 - For your ceremony side of the room, One Under will provide and set up the ceremony with all chairs and an aisle. Any additional décor requested must be brought in and set up prior to the ceremony by an allocated individual.
 - For the reception side of the room, One Under will set up all guest tables, some cocktail tables and all décor.
 - Once the ceremony has concluded, all guest will then proceed into the reception/cocktail side of the room and enjoy the start of your reception with a cocktail hour. At this time, most wedding parties like to take pictures or mingle amongst their guests.
 - During this time, One Under will then request a total time frame of 30 minutes to transform the ceremony side of the room into the rest of your reception space. Once completed the divider wall will open and the remainder of your reception timeline can take place.

This option is available – for a \$500 ceremony fee

Please Note for Options 2 and 3: If there is already another event booked for our morning event time, we unfortunately cannot accommodate this option.

For any of our ceremony options we do not include an officiant. The cocktail hour includes the start of your bar time frame only. Hors D'oeuvres are an additional purchase found in our Wedding package.
